The screenshot shows the AZENTIO system interface. The top bar displays the user 'CHRISAG' and the date '01 December 2022'. The sidebar menu on the left lists various configuration options under 'Menu Options', including 'Parameters', 'Accounts Parameters', 'System Parameters', 'Transaction Type', and 'Update After Approve'. The main content area is titled 'Linked to Business units applications' and contains several sections with checkboxes and dropdowns for configuring transaction rules. A 'CONFIRM' dialog box is open in the center, asking the user to 'Confirm Save Process'. The dialog box has 'OK' and 'Cancel' buttons.
